Key Features

Voice Guide
Enable Siri to control or check status of your front door.

Premium Design
Yale Smart Lock Pro is built with premium components and features LED lights and chime tones to complement your lock movement.

Automatic Locking
Auto Unlock knows when you arrive and unlocks the door as you approach. Never fumble for keys again.

Be Sure Its Locked
Only Smart Lock Pro has DoorSenseTM, a sensor that tells you if your door is securely closed and locked.

Control Guest Access
Send guest secure keys to friends, family or people you trust instantly, all from the Yale Access app.

Upgrade Your Existing Lock
Simply attach to your existing deadbolt from the inside of your door. Your existing keys will still working.

Total Control
Lock and unlock your door, grant keyless access and keep track of who comes and goes, all from your Yale Access App.

Apple HomeKit Enabled
Control your lock with your voice with an iPhone, AppleWatch, Apple TV, HomePod or iPad.

Complete
Includes Yale Connect WiFi Bridge which connects your lock to the cloud, so you get full voice and remote access functionality right out of the box.

Yale Link Wifi Bridge Smart Home Technology

Yale Bridge Solution
Yale Link is an integrated security solution that controls the opening and closing of doors of the Yale Smart Lock through smartphone application and provides real-time monitoring of the status of smart door locks.

PadLock

Yale

It may seem like an impossible task to improve on an object that has already been a part of our lives for generations. But with new developments in design innovation,materials and changing end user needs, Yale applies new insights into production techniques to make its products as user-friendly and as secure as possible.

As the world changes, Yale locks evolve. Whether in extreme conditions, outdoor or indoor, the new Yale padlock range offers universally relevant locking solutions to survive years of use in all types of environments.

At Yale we've been looking after people's homes and their favorite things for over two hundred years. We understand that the truest form of security is the freedom to enjoy living life to the full, without worry.

The New Yale Safe Collection has been designed to provide just that. As one of the world's best known, and preferred, leading lock brands we follow our mission to help consumers live more carefree lives. So we have combined the latest technologies and materials with centuries of experience to create safes that meet the most demanding requirements.
